# Executive Summary

---

Prescott Transit Authority is a private for-profit transportation company serving the people of Yavapai County on a statewide basis with City Bus, Non-Emergency Medical, Limousine Charters and Sedan Services on both a scheduled and on demand service level. All current funding is provided through fee for service individual clients and contracts. As an organization, we have received 5316 and 5317 funding in 2010 and 2012 for the purchase of equipment to expand services for wheel chair bound clients in our Dial-A-Ride division. In April of 2016 we sought a grant under 5311 (f) to re-establish rural bus service to the highway 69 corridor communities of Dewey-Humboldt, Mayer, Spring valley and Black Canyon City. Service to this area was terminated by Greyhound Bus Lines in 1991 as unprofitable leaving many without an affordable alternative to move about the county, state and country.

# Non Discrimination Policy Statement

---

The Prescott Transit Authority policy assures full compliance with Title VI of the Civil Rights act of 1964, the Restoration Act of 1987, section 504 of the Rehabilitation Act of 1973, the Americans with Disabilities Act of 1990 (ADA), and related statutes and regulations in all programs and activities. Title VI states that “no person shall on the grounds of race, color, national origin, or disability be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination” under any Prescott Transit Authority sponsored program or activity. There is no distinction between the sources of funding.

Prescott Transit Authority also assures that every effort will be made to prevent discrimination through the impacts of its programs, policies and activities on minority and low-income populations. Furthermore, Prescott Transit Authority will take reasonable steps to provide meaningful access to services for persons with limited English proficiency.

When Prescott Transit Authority distributes Federal-aid funds to another entity/person, Prescott Transit Authority will ensure all subrecipients fully comply with Prescott Transit Authority Title VI Nondiscrimination Program requirements. The Chief Executive Officer has delegated the authority to Shammarie Leon, the General Manager as the Title VI Program Coordinator, to oversee and implement FTA Title VI requirements.

## **Non Discrimination Complaint Procedures**

---

These procedures provide guidance for all complaints filed under Title VI of the Civil Rights Act of 1964, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act of 1990 (ADA) as they relate to any program or activity that is administered by Prescott Transit Authority including consultants, contractors and vendors. Intimidation or retaliation as a result of a complaint is prohibited by law. In addition to these procedures, complainants reserve the right to file a formal complaint with other State or Federal agencies or to seek private counsel for complaints alleging discrimination. Every effort will be made to resolve complaints at the lowest possible level. Prescott Transit Authority will investigate Title VI complaints against its subrecipients; all other Title VI complaints filed against Prescott Transit Authority will be investigated by the Arizona Department of Transportation.

- (1) Any person who believes he and/or she has been discriminated against on the basis of race, color, national origin, or disability may file a Title VI complaint by completing and submitting the agency's Title VI Complaint Form.
- (2) Formal complaints must be filed within 180 calendar days of the last date of the alleged act of discrimination or the date when the alleged discrimination became known to the complainant(s), or where there has been a continuing course of conduct, the date on which the conduct was discontinued or the latest instance of the conduct.
- (3) Complaints must be in writing and signed by the complainant(s) and must include the complainant(s) name, address and phone number. The Title VI contact person will assist the complainant with documenting the issues if necessary.
- (4) Allegations received by fax or e-mail will be acknowledged and processed, once the identity of the complainant(s) and the intent to proceed with the complaint have been

established. For this, the complainant is required to mail a signed, original copy of the fax or email transmittal for the complaint to be processed.

- (5) Allegations received by telephone will be reduced to writing and provided to the complainant for confirmation or revision before processing. A complaint form will be forwarded to the complainant for him/her to complete, sign and return for processing.
- (6) Once submitted Prescott Transit Authority will review the complaint form to determine jurisdiction. All complaints will receive an acknowledgement letter informing her/him whether the complaint will be investigated by the Prescott Transit Authority or submitted to the State or Federal authority for guidance.

Prescott transit Authority will investigate Discrimination complaints against its subrecipients; all other Discrimination complaints filed against Prescott Transit Authority will be investigated by the Arizona Department of Transportation.

- (7) For Discrimination complaints filed against Prescott Transit Authority: Within 72 hours or 3 (three) calendar days of receipt, Prescott Transit Authority will notify ADOT of the Discrimination complaints being filed. The complaint will then be logged identifying its basis of discrimination, the status, and the next steps. ADOT then will assume jurisdiction and follow the ADOT's complaint procedures for investigating the complaint.
- (8) For Discrimination complaints filed against Prescott Transit Authority's sub recipients (ie, consultants, vendors, and contractors) Prescott Transit Authority will assume jurisdiction and will investigate and adjudicate the case.
- (9) The Prescott Transit Authority has 30 days to investigate the complaint. If more information is needed to resolve the case, the Authority may contact the complainant. The complainant has **15** business days from the date of the letter to send requested information to the investigator assigned to the case. If the investigator is not contacted by the complainant or does not receive the additional information within 15 business days, the Authority can administratively close the case. A case can be administratively closed also if the complainant no longer wishes to pursue their case.
- (10) After the investigator reviews the complaint, she/he will issue one of two letters to the complainant: a closure letter or a letter of finding (LOF). A closure letter summarizes the allegations and states that there was not a Title VI violation and that the case will be closed. An LOF summarizes the allegations and the interviews regarding the alleged incident, and explains whether any disciplinary action, additional training of the staff member or other action will occur. If the complainant wishes to appeal the decision, she/he has 15 days after the date of the letter or the LOF to do so.

(11) A copy of either the closure letter or LOF must also be submitted to ADOT with 72 hours of that decision. Letters may be submitted by hardcopy or email.

(12) A complaint dissatisfied with Prescott Transit Authority's decision may file a complaint with the Arizona Department of Transportation (ADOT) or the Federal Transit Administration (FTA) offices of Civil Rights: **ADOT:** ATTN ADA/Title VI Program Coordinator 206 S. 17<sup>TH</sup> Ave MD 155A RM: 183 Phoenix AZ, 85007 **FTA:** Attention Title VI Program Coordinator, East Building, 5<sup>th</sup> Floor-TCR 1200 New Jersey Ave., SE Washington DC 20590

**Public Participation Plan**

---

***PRESCOTT TRANSIT  
AUTHORITY  
Public Participation  
Plan***

---

Prescott Transit Authority is engaging the public in its planning and decision-making processes, as well as its marketing and outreach activities. The public will be invited to participate in the process whether through public meetings or surveys. As an agency receiving federal financial assistance, Prescott Transit Authority made the following community outreach efforts: (Sample Translated Materials at Appendix A).

1. Publish Notice in local Spanish Weekly
2. Publish Job listings in local Spanish Weekly

In the upcoming year Prescott Transit Authority will make the following community outreach efforts:

1. Continue to publish all Notices in Spanish Weekly
2. Continue to publish all Job listings in Spanish Weekly
3. Publish all schedules in Spanish
4. All Print materials to be printed in Spanish also
5. Make the translator application available to all point of sale locations

Prescott Transit Authority currently has no hearings or meetings planned. Public meetings to solicit comments and suggestions will be scheduled in the next year after the commencement of service to determine appropriateness of schedules, fare structure concerns of the traveling public in service levels and frequency of service. These public meetings will be coordinated with ADOT, Local Governments and the general public and as always posted notice in print and electronic media in both English and Spanish. It is anticipated that once per quarter will be the frequency of these meetings.

#### **Public Meetings:**

- (1) Public meetings are scheduled to increase the opportunity for attendance by stakeholders and the general public. This may require scheduling meetings during non-traditional business hours, holding more than one meeting at different times of the day or on different days, and checking other community activities to avoid conflicts.
- (2) When a public meeting or public hearing is focused on a planning study or program related to a specific geographic area or jurisdiction within the region, the meeting or hearing is held within that geographic area or jurisdiction.
- (3) Public meetings are held in locations accessible to people with disabilities and are located near a transit route when possible.

Prescott Transit Authority submits to the Arizona Department of Transportation annually an application for funding. Part of the annual application is a public notice, which includes a 30-day public comment period.

## Limited English Proficiency Plan

# PRESCOTT TRANSIT AUTHORITY

---

## *Limited English Proficiency Plan*

---

Prescott Transit Authority has developed the following Limited English Proficiency Plan (LEP) to help identify reasonable steps to provide language assistance for LEP persons seeking meaningful access to Prescott Transit Authority services as required by Executive Order 13166. A Limited English Proficiency person is one who does not speak English as their primary language and who has a limited ability to read, speak, write, or understand English.

This plan details procedures on how to identify a person who may need language assistance, the ways in which assistance may be provided, training to staff, notification to LEP persons that assistance is available, and information for future plan updates. In developing the plan while determining the Prescott Transit Authority's extent of obligation to provide LEP services, the Prescott Transit Authority undertook a U.S. Department of Transportation four-factor LEP analysis which considers the following:

- 1) The number or proportion of LEP persons eligible in the Prescott Transit Authority service area who maybe served or likely to encounter Prescott Transit Authority program, activities, or services; According to the U.S. Census Bureau, 2010-2014 is 3% considered to be Limited English Proficient. This equates to 2273 individuals five years of age or older who report speaking English less than "very well". The predominate

language spoken by the LEP population is Spanish. Under the DOJ’s Safe Harbor provision, it is necessary to translate materials when five percent or 1,000 persons, whichever is less speak English less than “very well”. Prescott Transit authority translates vital documents, forms and public notices to meet this requirement. The following chart delineates the demographic languages. The category “Others Only” represents a combination of several types of Asian, Arabic, Chinese and Russian.

Limited English Population by Languages	Population Estimate	Spanish Only	Indo European	Asian Pacific	Other Languages
Prescott	38795	1395	1164	309	369
Prescott Valley	37083	3188	428	126	154
Dewey-Humboldt	3776	136	0	0	12
Mayer	911	0	0	0	0
Spring Valley	1140	21	0	0	0
Black Canyon City	2519	84	36	0	0
Totals/Census	84224	4824	1628	435	535
Percentage by Language	100%	5.7%	1.9%	0.5%	0.6%

- 2) The frequency with which LEP individuals come in contact with Prescott Transit Authority services is infrequent at present but all residents are welcome to attend public meetings. To facilitate public participation, Prescott Transit publishes notices of meetings, in English and Spanish in public places and in printed media in an effort to reach a large audience. Additionally this segment of the population is expected to grow and toward that direction we have sought out a partner for our efforts to engage the Spanish speaking population. The partner is the owner and editor of the Spanish Weekly, a local Spanish publication well received by potential LEP clients.
  
- 3) Transportation planning is vital to a community and directly affects the lives of those living in the service area. Recommendations on schedules, fares, frequency, headway, stops and routes directly affect the residents in their communities. This includes the minority and low income populations, including the LEP population. Prescott Transit Authority is responsible to ensure that the above issues of transit service as well as environmental, health and safety issues are considered in respect to the projects put forth for consideration.
  
- 4) Due to fiscal constraints and limited resources at this time, Prescott Transit Authority is unable to provide interpretation and translation services without advance notice. Major plans and maps are not available in languages other than English. However, public notices and vital documents and forms are to be available in English and Spanish.

Based on our review of the population statistics a statement in Spanish will be included in all public outreach notices. Every effort will be made to provide vital information to LEP individuals in the language requested through the use of a translator application at each point of sale within the organization including dispatch.

### **Safe Harbor Provision**

Prescott Transit Authority complies with the Safe Harbor Provision, as evidenced by the number of documents available in the Spanish language. With respect to Title VI information, the following shall be made available in Spanish:

- (1) Title VI Notice
- (2) Complaint Procedures
- (3) Complaint Form

In addition, we will conduct our marketing (including using translated materials) in a manner that reaches each LEP group. Vital Documents include the following:

- (1) Notices of free language assistance for persons with LEP
- (2) Notice of Non-Discrimination and Reasonable Accommodation
- (3) Outreach Materials
- (4) Bus Schedules
- (5) Route Changes
- (6) Public Hearings**

# Non-elected Committees Membership Table

---

The membership for the Transportation Advisory Committee was selected by the CEO based on the criteria listed below. Participation by minorities is sought after by direct contact with minority individuals in the community who are leaders in their field. Additionally, notices are posted on the website, in print media and community bulletin boards seeking interested parties to apply. Sample notices are at Appendix A.

Table Depicting Membership of Committees, Councils, Broken Down by Race

Body	Caucasian	Latino	African American	Asian American	Native American
Population	77.4%	16.3%	13.2%	5.4%	1.2%
Transportation Advisory Committee	83%	17%	0	0	0

Prescott Transit Authority seeks interested citizens in its service area based on desire to participate and the ability to bring strong representation of the community’s needs to bear on the decision making process. We select our membership based on the following criteria:

1. Commitment of time available            20%
2. Length of residency in the area        20%
3. Education                                    20%
4. Community Involvement                20%

5. Bilingual

20%

Race has no place in the selection of members. Bilingual does offer a plus in that the ability to communicate with all of our service demographic is critical to our success just as a willing and compassionate heart tempers judgment. Applicants are requested to address each of these criteria in the application.

## Monitoring for Subrecipient Title VI Compliance

---

PRESCOTT TRANSIT AUTHORITY HAS NO SUBRECIPIENTS.

## Title VI Training

---

Title VI training is accomplished within this company as a mandatory class for all employees as is all training requirements. Upon hire all employees undergo training requirements. These courses are repeated every two years on schedule unless there are significant changes made in our Policies and Procedures. Minor changes are discussed in updates at our quarterly meetings. Staff training is held at the NLA annually and communicated from the attendee to Staff for changes to our Policy and Procedures as appropriate. The last attendee was our Owner and CEO who passed information on to management staff and amended the Title VI Plan. The next training and update will be March of 2017.

## Title VI Equity Analysis

---

A subrecipient planning to acquire land to construct certain types of facilities must not discriminate on the basis of race, color, or national origin, against persons who may, as a result of the construction, be displaced from their homes or businesses. “Facilities” in this context does not include transit stations or bus shelters, but instead refers to storage facilities, maintenance facilities, and operation centers.

There are many steps involved in the planning process prior to the actual construction of a facility. It is during these planning phases that attention needs to be paid to equity and non-discrimination through equity analysis. The Title VI Equity Analysis must be done before the selection of the preferred site.

***Note: Even if facility construction is financed with non-FTA funds, if the subrecipient organization receives any FTA dollars, it must comply with this requirement.***

**The Prescott Transit Authority has no current or anticipated plans to develop new transit facilities covered by these requirements. No facilities covered by these requirements were developed since June 2000.**

# Fixed Route Transit Provider Analysis

---

**Fixed route:** Public transit service (other than by aircraft) provided on a repetitive, fixed-schedule basis along a specific route, with vehicles stopping to pick up passengers.

A subrecipient providing fixed route service, as defined above, must determine the distribution of transit amenities or the vehicle assignments for each mode in a non-discriminatory manner. The subrecipient must develop policies to ensure service is not distributed on the basis of race, color, or national origin.

Effective practices to fulfill the Service Standards requirements include developing written policies covering each of the following service indicators:

1) *Vehicle Load for Each Mode*

Prescott Transit Authority operate but one fixed route serviced by one type of vehicle with capacity of 50 seats. We will not stand passengers.

2) *Vehicle Headway for Each Mode*

Head way for Phase I is 6 hours, Phase II is 2 and 4 hours, Phase III is 2 hours.

3) *On Time Performance for Each Mode*

The “On Time” standard is 0-15 minutes of scheduled service for fixed route service.

4) *Service Availability for Each Mode*

*Service for the fixed route service is based on pre-arranged reservations. Including wheel chair accessible services. Reservations are on a first come, first served basis.*

Effective qualitative practices to fulfill the Service Policy requirements include developing written policies covering each of the following service indicators:

1) *Transit amenities for each mode*

Our Fixed Route Service is standard through out the vehicles 50+ seats and include reclining seats, foot rests, power outlets, video and Wi-Fi connectivity. These features are the same for every passenger on every coach so equipped. The same is true for the pickup and drop off locations, safety of operations, entry and exits, and printed materials including maps, schedules. All passengers can feel equally accommodated with personal assistance as needed by driver and staff alike.

2) *Vehicle assignments for each mode*

There is but one type of vehicle to be used in this service. There is no reason for less service with the exception of a vehicle being down for repairs or services. In that event, the vehicle substituted will be the same service level for all passengers alike.

# Board Approval for the Title VI Program

---

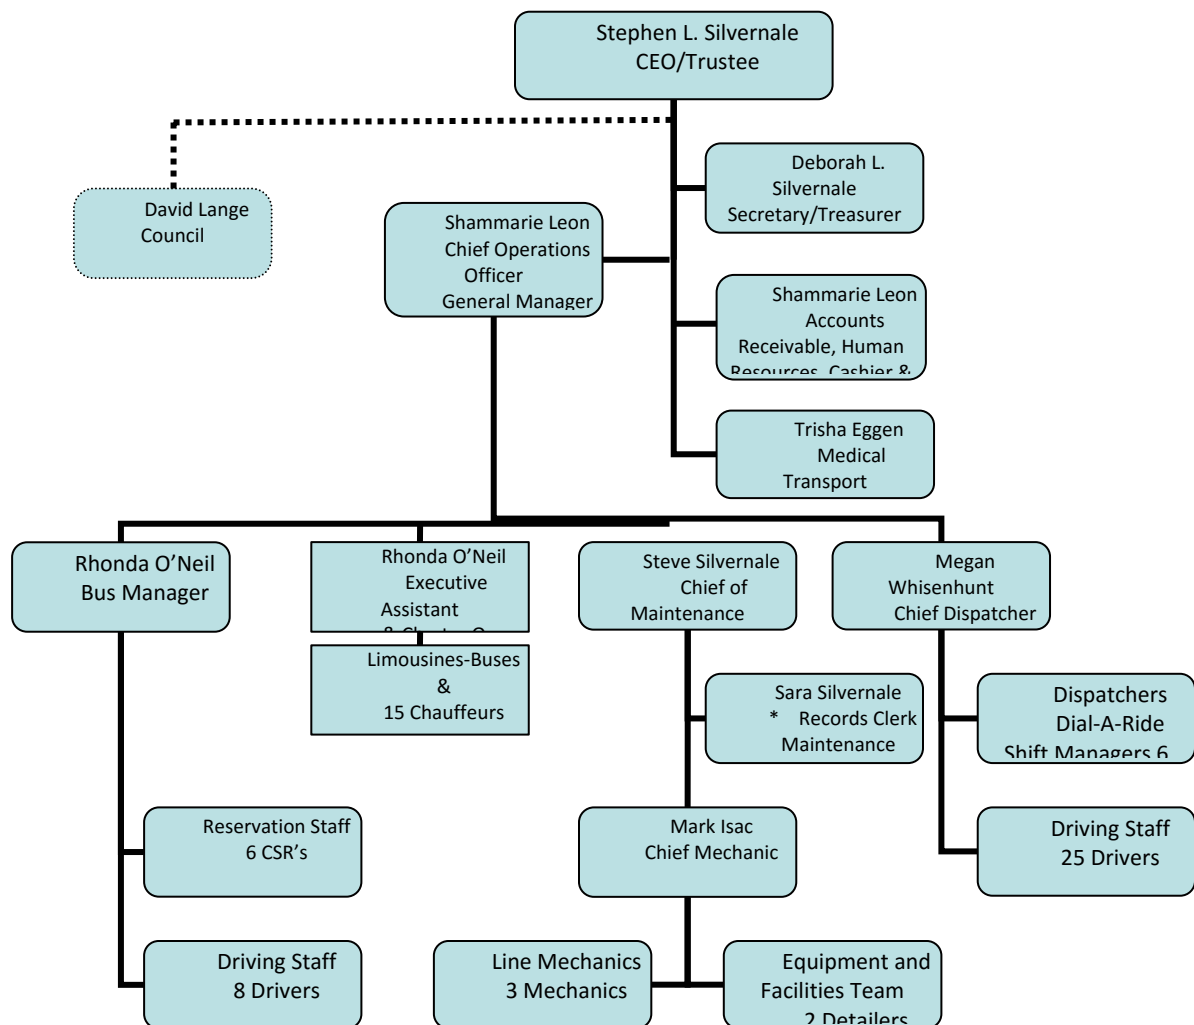

The Board of Directors for Prescott Transit Authority consists of the Owner and Chief Executive Officer only. This Title VI Non Discrimination Plan and Policy is hereby Approved by the owner and Chief Executive Office of PRESCOTT TRANSIT AUTHORITY with an effective date of 1/1/2016 and Adopted for use system wide from this date on. All personnel will be trained on this Plan and Policy either by special class room instruction or within the scheduled education classes. All personnel will be responsible for this information and shall be noted in their personnel file..

Prescott Transit Authority cherche des membres de la communauté hispanique à servir sur le Comité consultatif de transport (CCT), de conseiller sur les transports liés à des problèmes de service pour la fourniture d'un service d'autobus entre Prescott et Phoenix AZ. Ce service se connectera avec lignes de Bus Greyhound pour le transport vers toutes les villes dans les États-Unis, le Mexique et le Canada. Toutes les villes intermédiaires seront servis des balades faible coûts dans et entre ces points Prescott Transit Authority grandement respecte les besoins de notre communauté hispanique et apprécie la contribution précieuse qu'ils ont faits pour nous tous. Avec leur aide et leur contribution, nous pouvons vous assurer un meilleur service pour nous tous.

## **PTA SEEKS MINORITY COMMITTEE MEMBERS**

Prescott Transit Authority seeks minorities in the Yavapai County Community to serve on the Transportation Advisory Committee (TAC) to advise on transportation related service issues for the provision of bus services between Prescott and Phoenix AZ. This service will connect with Greyhound Bus Lines for transportation to all cities in the United States, Mexico and Canada. All towns in-between will be served offering low cost rides in and between these points Prescott Transit Authority greatly respects the needs of our minority community and appreciates the valuable contributions that they have made for all of us. With their assistance and input, we can assure a better service for us all.
